**SFDCP resources to support you during these challenging times**

Published: April 1, 2020

The [City and County of San Francisco’s Deferred Compensation Plan](https://www.sfdcp.org) (SFDCP) understands how unsettling these times are and that you may have questions and concerns about your retirement savings. We remain committed to being here for you and serving your needs remains our priority.

We’ve temporarily closed our 1145 Market Street location due to the “Shelter in Place” Order. However, SFDCP Retirement Counselors and Staff will continue to support your needs virtually during this time. We also continue to support you by phone **Monday through Friday 5am to 5pm PST at 888-SFDCP-4U (733-2748)**. To make it easier for you to get quick help and information, we want to make you aware of some online resources and services available to you:

**Online scheduler for phone/virtual appointments.**

SFDCP Retirement Counselors are now available for phone or virtual appointments! Find [your department dedicated Counselor](https://www.sfdcp.org). Counselors can conduct meetings with you via telephone, Zoom or Skype. Simply state your preference when requesting an appointment.

**Timely expert perspectives.**

To help you make informed decisions about your retirement savings, here are some useful links and articles to help long-term investors stay the course:

- Register for [SFDCP webinars](https://www.sfdcp.org) on participating, saving and investing in the San Francisco Deferred Compensation Plan
- Read articles with tips and insights to help you to and through retirement
- [Education, resources and tools](https://www.sfdcp.org) are available to help you navigate the uncertainty of today

**Digital support.**

Log in to [sfdcp.org](https://www.sfdcp.org) anytime to access your account information or make contribution changes. Once you’ve logged in, you can use the Live Chat feature to directly message with a plan representative.

We are in this together and remain focused on what’s most important: helping you achieve your financial retirement goals. Please don’t hesitate to reach out to your SFDCP Counselor or call **888-SFDCP-4U (733-2748)** for assistance.

Thank you and be well.
