Looking for help navigating these volatile markets? The current ups and downs in the financial markets can make investing for the future seem more complicated than ever. One of the best ways to navigate the swings in the financial markets is to have a plan that meets your goals, time horizon and investment style that you can stick with through short-term market highs and lows. Join us as we discuss the fundamentals of market volatility and learn strategies that can help guide you through uncertain times. Even in the most turbulent times, you can feel confident in the long-term plan to achieve your financial retirement goals.

Your expenses don’t end when you retire. Will you have enough to fund your retirement? Join us as we review how contributing to the San Francisco Deferred Compensation Plan (SFDCP) can help supplement your retirement savings and close the retirement income gap that Social Security and your SFERS pension won’t be able to cover. You’ll learn more about how much you can save, what kind of tax benefits you create by saving, the investment options available within the Plan, and more.

Ready to Retire
ID# 934-0425-8898
Imagine heading into retirement with the confidence that you can live out your retirement days like it’s a weekend. Join us as we review the San Francisco Deferred Compensation Plan (SFDCP) and the benefits of participating in the Plan. You’ll learn about how much you may need in retirement, if you’re on track to replace your monthly income in retirement, and how contributing to the SFDCP can help close the retirement income gap. Whether you’re already participating in the Plan or you’re thinking about enrolling, there’s something for everyone!

For questions about the SFDCP, please call the Plan Information Line at 888-SFDCP-4U (733-2748) weekdays between 5:00 a.m. - 5:00 p.m. You can also visit sfdcp.org to schedule an appointment with your department dedicated SFDCP Counselor.
